

**The Office of Research at Zayed University
is pleased to announce a Research Session**

by

Justin Dargin

Energy Research Fellow for
Belfer Center for Science and International Affairs, Dubai Initiative
at Harvard University

Justin Dargin is a Research Associate with The Dubai Initiative and a Fulbright Scholar of the Middle East. He is a specialist in International Law and Energy Law, and a prolific author and prominent lecturer on global energy affairs. He specializes in carbon trading, the global oil and gas market, the legal framework surrounding the Gulf energy sector and Middle Eastern geopolitics. Justin has spent long periods of time living and traveling in the Gulf and North Africa.

Justin Dargin will speak on the topic: **“Economical Development of UAE’s Energy Resources towards Sustainability”** at 12PM followed by a plenary session at 1PM that will discuss **“Challenges that lay ahead of Adequate Production in UAE’s Energy Sector”**.

When: Wednesday, 19 October 2011 at
12:00 PM (Lecture)
1:00 PM (Plenary Session)

Where: Auditorium (Blue) Dubai Campus

For external guests, please RSVP by sending an email to research@zu.ac.ae
